## **Parental Questionnaire**

**Only 2 parents responded to the questionnaire below, if any other parents would like to respond, we have kept it open until Friday 9<sup>th</sup> May.**

As part of our school improvement journey, we are keen to listen to parental feedback and reflect on our strengths and areas for improvement.

We want to be partners in your child's education and to work with you to make sure that we can provide everything that our community needs. We would really appreciate you spending some time to complete our online questionnaire so that we can continue to improve year on year.

Here is the link to the Questionnaire
