Welcoming our new Vicar, Reverend Karen Herschell

We delighted to invite you all to the induction of our new Vicar, Reverend Karen. The Induction service will take place on Sunday 9th February at 3pm at St Andrew's Church, Slaidburn. Bishop Phillip will be leading the service and there will be refreshments afterwards at Slaidburn Village Hall. We hope that lots of parents can come to this and welcome the new vicar into our community. Reverend Karen will be a big part of school and we are very excited about this!

SENCO

Mrs Kate Taylor is now our Special Educational Needs Coordinator and had a great first day getting to know our school.

Mrs Kate Taylor will be coordinating support for children with additional needs, completing referrals, writing Individual Education Plans with staff, supporting with EHCPs and external agencies.

Mrs Taylor will be available to meet parents on the day she is in school and all SEND communication will go through a new email address:
senco@brennands.lancs.sch.uk

The next day she is in school is: **3rd February 2025**

Thank you Tesco!

Mrs White was delighted to pop into Tesco in Clitheroe last week to pick up a donation of £375.14.

Each month, Tesco chooses a local school to be the recipient of the funds raised from their second hand book sales and we were lucky enough to be chosen for November.

Thank you so much Clitheroe Tesco for your contributions to our school ♡ ✨ We really appreciate it - every little helps!

KS1 Forest School

Making MUD to write Chinese numerals within this week's forest school. They of course took full advantage of the deep puddle for the majority of the session 😊☁️😄 it was Odin's turn to give out the biscuits and ask everyone about forest school and he did a great job 😊

And Harry knew a way to get across the puddle by using the wooden plank!

KS2 Forest School

Chinese New Year sparked some creative ideas, with some children incorporating particular colours, pictures and shapes into their creations. However, if there was one word to sum up today's Forest School, it's collaboration. They worked together and shared ideas and expertise to make, play and even dig a hole to plant an apple tree. X
