Parents

Our school mission statement is:

In our Christian family, we Encourage, Serve and Respect everyone and shine in the light of Jesus.

At Brennand's Endowed Primary School we like to work alongside parents to encourage our children to develop as fully as possible.

The Behaviour Policy and our E-Safety Code of Conduct will be shared with children and parents at the start of each school year.

Parents are expected to:

- Support their child in adhering to the Behaviour Policy
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly
- Encourage independence and self-discipline
- Show an interest in all their child does in school
- Support the school in implementing this policy
- Be aware of and support the school rules
- Attend meetings as required, to discuss your child's behaviour

Pupil Code of Conduct

EVERYBODY at Brennand's Endowed CE Primary has the right:

- ✓ To be safe
- ✓ To fair treatment
- ✓ To be heard
- ✓ To be treated with respect
- ✓ To learn and teach without unnecessary interruption

To help protect our RIGHTS and to encourage RESPONSIBILITY everybody has RULES

We have 3 core school rules. Everyone at Brennand's Endowed is expected to be:

- **Ready**
- **Respectful**
- **Safe**

All rules within school are based on these fundamental expectations.

Rewards and Sanctions

We encourage good behaviour with REWARDS for following our RULES such as:

- ✓ Praise
- ✓ Merit points
- ✓ Stickers and stamps
- ✓ Raffle tickets
- ✓ Charts
- ✓ Certificates
- ✓ Praise postcards
- ✓ Telling our parents the good news
- ✓ Citizen of the Week
- ✓ Kindness Award
- ✓ Golden Time

We recognise that sometimes children's behaviour may fall short of expectations and so we have CONSEQUENCES for breaking our RULES or when behaviour is disappointing.

GOLD – for exceptional behaviour and attitude to learning. Always going above and beyond!

Good to be Green – All children begin on Green for each lesson.
If children's behaviour falls short of expectation, they are always encouraged to improve this. Two warnings at this stage. On the second warning/reminder they will be told that if behaviour is not improved their name will be moved to Amber.

If a child's name is moved to amber, this is an opportunity to reflect on their behaviour. Improvement in behaviour will result in the child's name moving back to Green. If the child continues to mis-behave, they will have 1 warning and then move the red.

If a child's name is moved to red, the child may be asked to move to a different working space, inside the classroom or in a shared learning area e.g. in a corridor. Parents will be informed each time their child is placed on red (via a red slip to go home). Mrs White must be informed and they will miss minutes of Golden Time or another event/activity, as chosen by the teacher. They cannot represent the school that week in any activity such as a sporting event.

Examples of an instant 'red' include:

- Physically/intentionally hurting another person
- Swearing
- Persistent defiance
- Persistent disrespectfulness
- Persistent aggravation

BEHAVIOUR PATHWAY ACTIONS

- 1) Redirection - Gentle encouragement, a 'nudge' in the right direction, small act of kindness
- 2) Reminder - A reminder of the expectations Ready, Respectful, Safe delivered privately wherever possible. Repeat reminders if necessary. Deescalate and decelerate where reasonable and possible and take the initiative to keep things at this stage.
- 3) Warning - A clear verbal caution delivered privately wherever possible, making the learner aware of their behaviour and clearly outlining the consequences if they continue.
- 4) Moved to Red – A clear verbal caution delivered privately making the learner aware of why they have been moved to Red.

- 4) Time Out - Give the learner a chance to reflect away from others. Speak to the learner privately and give them a final opportunity to engage. Offer a positive choice to do so.
- 5) Follow up/Reparation - A restorative meeting should take place before the next lesson. If the reconciliation is unsuccessful the teacher should call on support from the SLT who will support the reparation process.
- 7) Formal Meeting - A meeting with the teacher, learner and Headteacher, recorded on CPOMS with agreed targets that will be monitored over the course of two weeks.

KS1 and KS2:

If children produce poor quality work or insufficient work a child may be asked to stay in at playtime / lunchtime to complete this. Children will always be pre warned that this will be going to happen so that they have an opportunity to redeem themselves.

Off-site behaviour

The consequences may be applied where a pupil has misbehaved off-site when representing the school, such as on a school trip or on the bus on the way to or from school.

Pupil support

It is important for all staff to take into account the individual needs of children when applying the expectations of the behaviour policy. Our approach to challenging behaviour may be differentiated to cater to the needs of the pupil. We use an approach which considers equity as much as equality.

The school's special educational needs and disability co-ordinator (SENDCO) will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners, Emotional literacy support assistant (ELSA) and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes (Positive Behaviour Plans) for that child. We will work with parents to create the plan and review it on a regular basis.

We recognise the importance of supporting children adversely affected by unacceptable behaviour. This may involve one or more of a range of strategies already in place in school eg Teacher and TA support , ELSA sessions, counselling .

Pupil transition

To ensure a smooth transition to the next year, pupils have Meet the Teacher sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues will be transferred to relevant staff at the start of the term or year on CPOMS. Information on behaviour issues will also be shared with new settings for those pupils transferring to other schools and records on CPOMS transferred electronically.

Exclusion

Our aim is to avoid exclusion. We will use internal exclusion as a consequence for behavior incidents. We work collaboratively with other primary schools in our local area to share responsibility for providing the best opportunities for all children, to enable them to participate fully in school life. A local agreement has been approved by Governors to enable us to adopt the following strategies when a child has repeated occasions of challenging/extreme behaviour:

- Approach the local inclusion hub for staff training to support the needs of children
- Approach local schools to consider a re-set placement (temporary placement in another school) for individual children for a short period

In rare circumstances, the Headteacher may consider exclusions which could include a fixed period exclusion, a permanent exclusion or alternative provision. This would only occur for a disciplinary reason, such as extreme behaviour which violates the school behaviour policy such as persistent bullying. This may include behaviour off site for example on a school trip.

Restraint

In cases where staff may need to control children or restrain them, staff are advised to follow the guidance for use of reasonable force. (DfE Use of Reasonable Force 2013) Examples for this may range from guiding a child by the arm to more extreme cases of breaking up a fight where a child needs to be restrained to prevent violence or injury. Reasonable force may be used to prevent pupils from hurting themselves or others, from damaging property or from causing disorder. In cases where reasonable force has had to be used, parents will be informed.

Confiscation

Any items found in pupils' possession, which are considered inappropriate, will be confiscated. These items will be returned to parents.

Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#)

Malicious allegations

Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the headteacher will discipline the pupil in accordance with this policy. Parents will be informed and the incident will be recorded on CPOMS. Please refer to our Safeguarding Policy for more information on responding to allegations of abuse. The headteacher will also consider the pastoral needs of staff accused of misconduct.

Training

The Behaviour Policy is shared with staff on an annual basis. Behaviour management will also form part of continuing professional development, particularly for teachers and teaching assistants who have children with identified needs in their classes.

Monitoring arrangements

This Behaviour Policy will be reviewed by the Senior Leadership Team, headteacher and full governing body every year. At each review, the policy will be approved by the headteacher.

The written statement of behaviour principles (appendix 1) will be reviewed and approved by the full governing body every year.
