Newsletter 11.9.26

Our first full week back in School and the children have certainly hit the ground running.

We have had so much fantastic learning and questions and answers. I have been simply blown away both when I have been teaching and walking around school to see what is going on in other classes. I am also pleased to see such companionship and children really encouraging each other.

This week Mrs Murray started her Science club 'repair shop' the children got to grips with their own bag of tools and worked on taking apart a torch to identify faults and start repairs. They have already learned so many skills and it is only week 1!

Yesterday all KS2 children went on a trip to the Westmoreland show and what a superb day they had. The children met the Police, Bay Search and Rescue, saw lots of rural crafts, which has given them ideas to bring back to school for our school garden and they even met Cammy from sheep game!

This Saturday is the Hodder Valley Show we have a school stand and it would be great to see you if you pop by and say hello.

Have a lovely weekend
