Newsletter 18.9.26

What a week we have had in School! The children, staff and Governors have worked so hard showing our wonderful school to our special visitors. I would like to take this opportunity to thank you all for completing the parent questionnaires. Next week I will be sending you further information on the inspection process.

This week the children presented their manifestos for our school council vote and all of them were wonderful. Yesterday we appointed a new council. Thank you to everyone who took part, all of your ideas were fantastic and we will be implementing many of them throughout the year.

Today we have had the Hodder Valley Show President Mr James Alpe visit our school and he awarded the children with their prizes and certificates from the show. Your entries were all wonderful and it was great to see so many of you visit our school stand last Saturday. Thank you to all the children that took part in the show and for Mr James Alpe for presenting all the awards to the children.

Thank you for your continued support
Have a lovely weekend
